SCHOOL INFO

Helpful checklists

For your convenience, we've put some **college planning checklists** at the end of *Getting In* for you to tear out and use.

College Admissions Checklist helps you keep track of application deadlines.

Financial Aid Checklist helps you keep track of application deadlines.

Senior Calendar shows what you should be doing month by month to prepare for college.

School Evaluation helps you compare your favorite schools based on several academic factors.

Financial Aid Package Evaluation helps you compare the financial aid packages offered by different schools.

This chapter is divided into 3 sections.

School Pages

Each Alabama school gets a page to show costs, enrollment figures, freshman admissions requirements, Internet services, academic programs and financial aid programs. Estimated costs were provided by the schools' financial aid offices. In addition to the tuition and fees and the room and board costs shown, there are other costs associated with college: books, supplies, transportation and personal costs. These can range from \$2,500 to \$7,500 or more depending on where you go and your lifestyle.

Academic Majors

Alphabetical by school

In this section you'll find a listing of 64 Alabama schools, the academic majors they offer and the degrees available in each major.

Areas of Study

Alphabetical by major

This section shows academic majors offered in Alabama. If you already know what your major will be, use this quick-reference list to find it and see which Alabama schools offer it. These may not be the exact titles used by Alabama schools, but they're close.

Information in this chapter will almost certainly change before you start college. For the most up-to-date information, you should contact the school you plan to attend.

Each school included in Getting In must participate in a Title IV program or be a public school. The information in the following pages was provided by the schools. Some Alabama schools that provide financial aid may not meet our guidelines for inclusion in Getting In or may not have responded to our requests for information about their school. Students attending these schools should check with the school's financial aid office for information about their financial aid programs.
